

AND THE AWARD GOES TO...

The Spa at the Beverly Wilshire hosted its pre-Oscar event, a fabulous evening of Champagne and pampering, and an invitation to see their exclusive beauty boutique. I found treasures beyond compare. I want to buy them all! Ask for Vivian to help with your selection of goodies. (Tell her *Genlux* sent you.) fourseasons.com/beverlywilshire/spa

Five delicious essential-oil infusions (try the yummy mimosa-scented one!) Each comes with its own darling mantra to chant while lighting. *Beverly Hills Candle Company candle*, \$40, *The Spa at The Beverly Wilshire*; thebeverlyhillscandlecompanyllc.com
